

San Ramon Grammar School Site

Dedicated 1997

The first San Ramon school was located north of the village in 1852. By 1866, San Ramon voters supported a \$2,000 bond issue for a new schoolhouse in town. In 1869, 68 students were enrolled at the school. This school is affectionately remembered by its students, who attended until it closed in 1951.
